LETTER NO: 415/IVA/20-21

DATED : 02/09/2020

Subject: Allotment of States to the VCI Members Elected from Team IVA
representing issues pertaining to VCI from the respected States – Reg

Respected Veterinarians,

As you all aware that the VCI elections were held recently for electing 11 Members as per the provisions of IVC Act 1984 and 10 members contested from team IVA were victorious and elected as VCI members by unprecedented support from all Veterinaries Pan India. There are 28 states and 8 UT in the country and it is obvious that many States and Union territories has no representatives to express their issues and constraints at National Level.

In order to address this issue and to echo the views and constraints faced by VETS where representatives were lacking, IVA has decided to allot States and UTs and entrust the responsibilities to address the grievances faced by VETS in these states and express their issues at National Level (VCI). All State President and General Secretaries are requested to contact the VCI member who have been given responsibility for the respective States and the Member will look after the issues of states allotted apart from their home states as per the enclosure.
