To,

Dr. Sanjeev Kumar Balyan  
Honorable Minister, GOI  
Ministry of Fisheries, Animal Husbandry & Dairies  
Krishi Bhawan, New Delhi

Sub: Examinations and Internship program of the B.V.Sc & A.H. students during COVID-19.

Respected Sir

As the whole world is suffering due to COVID-19 pandemic. In this situation all the educational institutes are under lockdown situation. Sir, I would like to draw your kind attention regarding the examinations and Internship program of all veterinary students throughout the country. All over the country the undergraduate program ( B.V.Sc & A.H. degree) from all Veterinary colleges are as per MSVE-2016 ( Minimum Standards of Veterinary Education 2016) regulated by Veterinary Council of India. All Veterinary colleges are having similar syllabus and examination pattern. The examination of the B.V.Sc & A.H. students could not be possible to conduct in the COVID-19 pandemic situation.

All the universities/ colleges are working on this situation for planning to conduct examinations and also to run the internship programs of the final year B.V.Sc. & A.H. students.

It is very much necessary to draw some common guidelines from Central government and Veterinary Council of India regarding conduction of examinations and internship program of B.V.Sc. & A.H. students, so that it is possible to follow the single pattern by all the Veterinary Colleges. Thanking You.

Regards.

(Dr. Umesh Chandra Sharma)  
President
