D.No. 295/IVA/2020-21

Date 03/04/2020

Subject:- Organizing a Plantation Event on the occasion of "The World Environment Day- June 5, 2020" to save our Earth-Regarding.

Respected All,

This is my privilege to write to you on the occasion of the World Environment Day. As you all know, the 5th of June is kept aside every year to remind us all of the urgent need to protect our environment.

**Save Earth
Save Life**

This day gives emphasis on the importance of our active participation in environment conservation.

Our little effort can make a bigger difference. Together We can protect the environment – the trees, the rivers, the air and wildlife.

To celebrate the World Environment Day IVA urges you all to conduct an event of plantation on 5th June 2020. Our theme is "Mother Earth - Green Earth, Clean Earth".

In this context I request you all to plant a tree in your Institution or at home. Kindly share the photos-selfies of the same on social media - Facebook page of IVA and in the WhatsApp groups to raise the awareness in the society for environment and importance of protecting the planet Earth. I extend my warm wishes on the occasion of "The World Environment Day."

Regards.

(Dr. U. C. Sharma)
